Terms of Service

Effective Date: 12 August 2026

Applicability: Primary & Secondary Schools, Principals, Deputy Principals, Teachers, and Authorized Administrative Staff in Kenya.

By registering for, accessing, or using the Master CBC platform (“Platform,” “Service,” “we,” “us,” or “our”), you (“User,” “School,” “Principal,” or “Teacher”) enter into a legally binding agreement to comply with and be bound by these Terms of Service (“Terms”). If you do not agree to these Terms, you may not access or use the Platform. Please read this document carefully together with our Privacy Policy, which is incorporated into these Terms by reference.

1. Definitions

- **“Platform”** means the Master CBC web and mobile application, including all associated dashboards, APIs, report-generation tools, and related services.
- **“School”** means the institution that registers for the Platform and on whose behalf a Principal or Head of Institution accepts these Terms.
- **“MasterCBC Admin”** means an authorized member of the Master CBC operations team responsible for approving school applications, enforcing these Terms, and maintaining platform-wide integrity.
- **“School Administrator”** means a Principal or Deputy Principal account holder with school-wide administrative visibility.
- **“Staff Account”** means any Teacher or administrative account provisioned under a School's instance of the Platform.
- **“Student Data”** means any information relating to an identified or identifiable learner processed through the Platform.
- **“Content”** means all data, marks, records, files, and configurations uploaded to or generated within the Platform by a School or its Staff Accounts.

2. Description of Service

Master CBC is a local school grading, mark-entry, report card generation, and exam analysis platform designed for institutions operating within the Kenyan educational system. The Platform supports both the legacy 8-4-4 system and the Competency-Based Curriculum (CBC) framework (spanning Junior Secondary Grades 7–9 and Senior Secondary Grades 10–12, including Senior School Pathway tracking). Core capabilities include continuous assessment (CAT) and exam mark entry, automated computation of class means, subject and stream performance analytics, CBC performance-band reporting (EE, ME, AE, BE), and the generation of printable report cards and score sheets.

Local Scope Disclaimer

Master CBC is a self-contained administrative and internal academic tool. It is not affiliated with, connected to, or integrated into national examination or placement bodies such as the Kenya National Examinations Council

(KNEC) or the Kenya Universities and Colleges Central Placement Service (KUCCPS). Schools maintain total control over their internal CATs, exams, grading boundaries, and academic terms. Any resemblance between figures generated on the Platform and official KNEC or KUCCPS outcomes is coincidental and for internal planning purposes only.

Changes to the Platform

We may add, remove, or modify features from time to time to improve functionality, security, or compliance with evolving Kenyan curriculum requirements. We will make reasonable efforts to notify Schools of material changes that affect core grading or reporting functionality in advance.

3. Eligibility & Institutional Account Creation

- **School Registration & MasterCBC Admin Approval:** To onboard a school, an authorized representative must submit a School Application. Access to the Platform remains in a “Pending Approval” state until explicitly vetted and approved by MasterCBC Admins.
- **Verification:** MasterCBC Admins may request supporting documentation (such as proof of registration with the Ministry of Education or a national school code) to verify the legitimacy of an applying institution before activating an account.
- **Administrative Seat Limits:** Each approved school is strictly permitted one (1) Principal Account and up to two (2) Deputy Principal Accounts (specifically designated as Deputy Principal – Academics and Deputy Principal – Administration). These administrative roles share unified school-wide visibility under isolated login credentials.
- **Authority to Bind:** The individual registering a school warrants that they are a legally authorized institutional representative (Principal or Head of Institution) with full power to bind the school to these Terms.
- **Accuracy of Registration Details:** The School warrants that all information submitted during registration, including institutional contact details and administrator identities, is accurate and will be kept up to date.

4. Staff Accounts, Security, and Password Resets

- **Teacher Onboarding:** School Administrators may onboard teachers via email invitations or direct manual entry.
- **Temporary Credentials:** When teachers are added manually, the school issues temporary credentials (e.g., Test@2026). Users logging in with temporary credentials must complete a mandatory password reset before accessing any internal dashboard or student data.
- **Account Security:** Users are responsible for preserving the confidentiality of their credentials, including not sharing login details with other staff members or third parties. Any activity conducted under an account is deemed the responsibility of the registered account holder. Master CBC is not liable for unauthorized access resulting from shared or compromised credentials.
- **Suspicious Activity:** Users must notify their School Administrator or Master CBC Support immediately upon suspecting unauthorized access to their account.
- **Session Management:** The Platform may automatically terminate inactive sessions after a period of inactivity as a security precaution. Users should always log out when using shared or public devices.

5. User Roles & Permissions

The Platform enforces role-based access control so that each user only sees information relevant to their function within the School:

- **Principal:** Full school-wide visibility, including all streams, subjects, staff accounts, and analytics; sole authority to approve or remove Deputy Principal accounts.
- **Deputy Principal – Academics / Administration:** School-wide visibility scoped to academic or administrative functions as assigned by the Principal.
- **Teacher:** Access limited to assigned subjects, streams, and classes for the purposes of mark entry and result review.
- Role assignments and permission scopes may be adjusted by School Administrators at any time; Master CBC is not responsible for internal disputes between School staff regarding role allocation.

6. Data Ownership & Content Management

- **School Data Ownership:** The school retains full ownership of all institutional data uploaded to or generated by the Platform, including student records, raw examination marks, teacher lists, custom grading scale configurations, and generated report cards.
- **User Conduct & Accuracy:** School Administrators and Teachers are solely responsible for ensuring the accuracy, integrity, and legality of all student records (e.g., Admission Numbers, Names, Year of Birth, Gender) and marks uploaded to the system.
- **System License:** The School grants Master CBC a limited, non-exclusive, royalty-free license to store, process, host, and transmit school data solely to deliver, secure, and maintain the Service.
- **Backup Responsibility:** While Master CBC maintains reasonable backup practices, Schools are encouraged to periodically export critical records using the Platform's built-in export tools.

7. Acceptable Use Policy

Users agree not to:

- Attempt to bypass, compromise, or test the vulnerabilities of Row-Level Security (RLS) policies or tenant isolation barriers separating schools.
- Attempt unauthorized access to student records, grades, or administrative panels belonging to another educational institution.
- Reverse engineer, decompile, or extract the core source code, grading calculations, or analytics algorithms of the Platform.
- Use the Platform to store or transmit malicious code, malware, or unlawful content.
- Use automated means (bots, scrapers, or scripts) to extract data from the Platform without prior written consent from Master CBC.
- Upload false, defamatory, or intentionally misleading student or staff records.
- Resell, sublicense, or provide third-party access to the Platform without Master CBC's written consent.

- Interfere with or disrupt the integrity or performance of the Platform or its underlying infrastructure.

Violations of this section may result in immediate suspension pending investigation by MasterCBC Admins.

8. Intellectual Property

The Platform, including its software, interface design, grading algorithms, analytics engines, documentation, and the Master CBC name and logo, is the exclusive property of Master CBC and its licensors and is protected under Kenyan and international intellectual property laws. Nothing in these Terms grants the School or any User ownership of the Platform itself. Any feedback, suggestions, or feature requests submitted by Users may be used by Master CBC to improve the Service without obligation or compensation.

9. Subscriptions, Fees, and Service Modifications

- Access to Master CBC may be provided under a subscription model based on active student enrollment or institution tiering.
- Subscription fees, where applicable, are billed in advance for the selected billing cycle and are generally non-refundable except where required by law or expressly stated at the point of sale.
- We will provide reasonable advance notice of any pricing changes before they take effect on a School's next renewal cycle.
- Failure to settle outstanding subscription fees within the applicable grace period may result in restricted access or suspension in accordance with Section 11.
- We reserve the right to alter, modify, or update features, interface layouts, or schema structures to enhance security or maintain compliance with Kenyan educational reforms.

10. Service Availability & Support

- Master CBC endeavors to maintain high platform availability but does not guarantee uninterrupted, error-free access, particularly given reliance on third-party infrastructure and internet connectivity outside our control.
- Scheduled maintenance windows will, where practicable, be communicated to School Administrators in advance.
- Support inquiries may be directed to our administrative team as set out in Section 18; response times are handled on a reasonable-efforts basis unless a separate support agreement specifies otherwise.

11. Termination & Account Suspension

- **MasterCBC Admin Rights:** MasterCBC Admins reserve the absolute right to suspend or terminate any school's access or user account for violations of these Terms, failure to pay subscription fees, or fraudulent institutional registration.
- **Voluntary Termination:** A School may request closure of its account at any time by contacting Master CBC Support; outstanding fees for the current billing cycle, if any, remain payable.
- **Data Export Window:** Upon termination, Schools may request an export of their Content within a reasonable period before archival, subject to Section 6.
- **Data Archival & Offboarding:** Upon school termination or account deactivation, student records and historical scores are archived in accordance with our data retention practices to maintain historical data integrity for existing academic reports.

12. Indemnification

The School agrees to indemnify and hold harmless Master CBC, its officers, employees, and agents from any claims, damages, losses, or expenses (including reasonable legal fees) arising out of the School's breach of these Terms, misuse of the Platform, or the School's violation of applicable law in connection with the data it uploads or processes through the Service.

13. Disclaimer of Warranties & Limitation of Liability

To the maximum extent permitted by applicable laws in Kenya:

- Master CBC is provided on an “AS IS” and “AS AVAILABLE” basis without warranties of any kind, express or implied, including any implied warranty of merchantability, fitness for a particular purpose, or non-infringement.
- Master CBC shall not be liable for indirect, incidental, special, or consequential damages resulting from data entry errors by teachers, incorrect grading boundary setups by administrators, internet outages, or loss of access.
- Master CBC's aggregate liability arising out of or related to these Terms shall not exceed the total subscription fees paid by the School in the twelve (12) months preceding the event giving rise to the claim.

14. Dispute Resolution

In the event of a dispute arising out of or relating to these Terms, the parties agree to first attempt to resolve the matter through good-faith negotiation between the School's authorized representative and MasterCBC Admins. If a resolution is not reached within thirty (30) days, either party may pursue mediation or refer the dispute to the jurisdiction of the Kenyan courts as set out in Section 16.

15. Amendments to These Terms

We may revise these Terms from time to time to reflect changes in our Service, legal requirements, or operating practices. Where changes are material, we will provide reasonable notice to School Administrators, such as by email or in-platform notification, before the revised Terms take effect. Continued use of the Platform after the effective date of any revision constitutes acceptance of the updated Terms.

16. Governing Law

These Terms shall be governed by and construed in accordance with the Laws of the Republic of Kenya. Any disputes arising under or in connection with these Terms shall be subject to the jurisdiction of the Kenyan courts.

17. General Provisions

- **Severability:** If any provision of these Terms is found unenforceable, the remaining provisions shall continue in full force and effect.
- **Assignment:** The School may not assign or transfer its rights under these Terms without Master CBC's prior written consent. Master CBC may assign these Terms in connection with a merger, acquisition, or sale of assets.
- **Entire Agreement:** These Terms, together with the Privacy Policy, constitute the entire agreement between the School and Master CBC regarding use of the Platform, superseding any prior agreements on the same subject matter.
- **Force Majeure:** Neither party shall be liable for delays or failures in performance resulting from circumstances beyond its reasonable control, including natural disasters, internet or power outages, or

governmental action.

- **Notices:** Formal notices to Master CBC should be sent to the contact details in Section 18; notices to Schools will be sent to the institutional email address on file.

18. Contact Information

If you have any questions regarding these Terms of Service, please contact our administrative team at: **support@mastercbc.co.ke**

By clicking "I Agree," creating an account, or signing in to the Master CBC platform, you acknowledge that you have read and understood these Terms of Service and accept them in full on behalf of yourself and, where applicable, your institution.
